

BENEFITS

The 12-month program provides business development, legal assistance, certification, and professional development training at no charge to enrollees. Possible outcomes for businesses that complete the program include:

- Getting a higher limit of bonds for contractors and the ability to qualify for more contracts;
- Reaching more customers; and
- More profitability.

PROGRAM REQUIREMENTS

To be in the program, an enrollee must:

- Be an owner of a District-based business that has been open for at least one year;
- Commit to attending four hours per month for a 12-month period of trainings/workshops; and
- Commit to applying for Certified Business Enterprise (CBE) certification within 12 months (if not already certified).
