Subject: Site Visits and Contact Information Updates

Dear Dental Providers,

AmeriHealth Caritas District of Columbia (DC) has contracted with American Dental Systems (ADS), a Certified Business Enterprise (CBE), to manage projects for our dental team. Dr. Leroy Sutton is the president of ADS and his administrative assistant is Ardinia Townes. They may contact your office regarding site visits for credentialing and recredentialing of network providers, as well as verification of locations and telephone numbers for all providers. If a provider is no longer working at your location, please advise ADS and provide information on any new providers.

If you have any questions, you may contact me directly at 410-365-4265. Thank you for providing quality services to our enrollees. We greatly appreciate your participation in the AmeriHealth Caritas DC dental provider network.

Sincerely,

Nathan Fletcher, D.D.S.
Dental Director, AmeriHealth Caritas District of Columbia
